Tools&Technologies	Git, GitHub, Postman, WordPress, Hostinger, VS Code
Soft Skills	Communication, Team Collaboration, Problem-Solving, Adaptability

EXPERIENCE

Full-Stack Developer Intern   Aug 2025 - Feb 2026
Linkfields Innovations — Hyderabad   *Hyderabad, India*

- Contributed to full-stack development using React, Next.js, Node.js, Express.js, and PostgreSQL.
- Collaborated in agile sprints, participating in code reviews and feature development.
- Implemented UI improvements and reusable components to enhance user experience.

Freelance Web Developer   Jun 2024 - Aug 2025
Self-Employed — Hyderabad   *Hyderabad, India*

- Delivered 7+ client websites(mywork) end-to-end and deployed them using Hostinger.
- Collaborated directly with clients and consistently met project deadlines.
- Improved client SEO and online visibility through optimized design and performance.

PROJECTS

Blog Application(github). Built a full-stack blogging platform using React, Node.js, Express, and MongoDB. The application includes user authentication with JWT and complete CRUD functionality for posts. Designed a responsive UI with reusable components and efficient state management, while ensuring scalable backend performance through well-structured APIs and database queries. https://campus-tales-mern.onrender.com

Stock Market Application(github). Built a real-time stock market app using Next.js with live prices, advanced search, watchlists, and secure authentication. Integrated AI-powered insights, news summaries, interactive charts, and automated alerts using Inngest for a fast, responsive user experience. https://stocks-next-app.vercel.app/

EXTRA-CURRICULAR ACTIVITIES

- Black Belt in Shotokan Karate, trained for several years with strong discipline and consistency.
- Worked as a Martial Arts Coach at Brilliant Martial Arts Academy, training students in fitness and self-defense.
